

# East Cambridgeshire District Council Waste and Recycling Collections Calendar

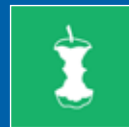

**We regret that plastic bottle recycling  
collections will stop from  
Friday 26th March 2010.**

Residents can continue to recycle plastic bottles in recycling banks around the District. Bank locations can be found on the Council's web site at [www.eastcambs.gov.uk](http://www.eastcambs.gov.uk) or by using the contact details provided below.

We apologise for the inconvenience caused by the withdrawal of this service as a result of enforced spending cuts.

**YOUR COLLECTION DAY IS  
MONDAY**

# Using your Waste and Recycling Services

Please help us to collect from your address:

## Collection point

- On your property boundary closest to road access so that materials are clearly visible. (Where your property is accessed by a private track or road, material must be left for collection where this joins the public highway).

## Collection time

- Materials must be ready for collection by **7.00am** as collection times may vary.
- Do not put material out for collection any earlier than **6.00pm** on the evening before collection.

## Collection frequency

- Black sack waste – weekly
- Recycling and Brown Sack collections – every 2 weeks (see calendar included).

## Is there a reason that your waste hasn't been collected?

- Before reporting that your waste or recycling has not been collected, please check:
  - That neighbouring properties have been collected from (collections may be running late or one side of the road may be collected at a time).
  - That a sticker has not been left on your waste explaining why it has not been collected. If this is the case, please resolve the problem and put waste out for collection on the next due collection day.

## Service Failures – missed collections, replacement bags not left etc

- We regret that action will only be taken to rectify issues that are reported by the end of the working day after a collection is due. This is to prevent repeated return trips to the same area to resolve issues.

# Black Sack Waste Collections

This service is for small items of household waste that are produced on a daily basis and can't be recycled through existing services. A paid for service is available for larger items, and can be arranged using contact details on the front of this leaflet.

One replacement sack is provided each collection. Additional sacks will be collected, but please recycle and compost all that you can.

## Please help us by:

- Tying bags securely to reduce the risk of spillage;
- Wrapping sharp items such as broken glass to prevent them puncturing bags and causing injury to your collection crew, and;
- Not including other hazardous materials such as household chemicals or paint. Take these to Grunty Fen Recycling Centre. Tel: 0345 045 5207 or [www.cambridgeshire.gov.uk](http://www.cambridgeshire.gov.uk)

# Recycling Collections

- Please leave materials for collection as shown below & only include items listed. Collections will not be made where materials are mixed or incorrect materials are included.
- Please do not put materials for recycling in black refuse sacks or brown sacks as collection crews will think they are for the other collection services.

## Be a Recycling Champion!

We are looking for local residents who would like to help promote recycling in their area.

- Encourage friends and neighbours to recycle more of their waste
- Promote recycling by distributing leaflets or creating imaginative displays in community facilities such as libraries, leisure centres, and village halls.
- Offer as much time as you are able to spare.
- Support and training will be provided.

For further information, please contact Darren Hughes, Community Recycling Officer on 01353 665555 or e-mail [Darren.Hughes@eastcamb.gov.uk](mailto:Darren.Hughes@eastcamb.gov.uk)
